AT LEAST FIRST AND SECOND)	
THIN FILM TRANSISTORS)	<u>Rose Fickel</u>

RESPONSE

Honorable Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Official Action mailed May 20, 2003, has been received and its contents carefully noted. Filed concurrently herewith is a *Request for One Month Extension of Time*, which extends the shortened statutory period for response to September 20, 2003. Accordingly, the Applicant respectfully submits that this response is being timely filed.

Disclosure Statements filed on June 29, 1999, October 31, 2000, June 4, 2001, March 7, 2002, May 7, 2002, November 8, 2002, and February 24, 2003. However, the Applicant has not received acknowledgment of the IDS filed on October 25, 2000. Also, the Applicants note the partial consideration of the IDS filed on November 30, 2001 (see Paper No. 19). Specifically, it appears that the Examiner inadvertently overlooked the citation of U.S. Patent No. 5,250,931 to Misawa et al. The Applicants respectfully request that the Examiner provide an initialed copy of the Form PTO-1449 evidencing consideration of the IDS's filed October 25, 2000, and November 30, 2001.
